

FORM B. Special Problems (INFO 6900 / INFO 6910) Request Form

Discuss the proposed course topic, course objectives, and concrete course requirements (a.k.a. deliverables) together with the faculty member who you would like to serve as a supervisor for your special problems course. Please note that faculty may not agree to supervise special problems courses outside of their expertise or when an organized course would be more appropriate.

You and your special problems course faculty supervisor should complete all areas of this form together. After the form is completed and signed by your course supervisor, major professor/co-major professor, and yourself, submit it for approval to the IS Ph.D. Program Office for approval from:

1. IS Ph.D. Program Director
2. IS Department Chair.

When the form is submitted to IS Ph.D. Program Office (CI-IISPhD@unt.edu) and the proposed special problems course is approved for your degree plan; you will receive via email from IS Ph.D. Program Office a registration code to register for the course.
